Konza Prairie Biological Station is managed by the Division of Biology, Kansas State University. The preserve lands are privately owned by The Nature Conservancy and the KSU Foundation. Operation and maintenance of the station is supported principally by user fees, with additional support from Kansas State University and the Kansas Agricultural Experiment Station. Call the Konza Prairie Office (785-587-0441) for additional information and reservations.

SITE USE

Research funded by institutional or personal funds: $10/person/day
Research project funded by grant: (based on percentage of total project conducted on the station) 4.0% of direct costs
Non-scientific use: (includes all for-profit organizations. Use must be consistent with Konza Prairie research, educational and land stewardship missions and must be approved by the Director.) $500.00/day ½ day minimum
